GLOBOX Light Box Receives Seal of Approval

**DATE:** February 1, 2005

### New Glo-Anywhere GLOBOX Receives Creative Home Arts Seal of Approval!

Artograph's hot new GLOBOX® Light Box has received the Creative Home Arts Member Tested Seal of Approval. Creative Home Arts Club members gave the GLOBOX a 94% approval rating with high marks across the board of test criteria, including, quality, design, performance, appearance, ease of use, innovative features and uniqueness.

The GLOBOX from Artograph is the perfect art and craft light box for crafters on the go! Features a conveniently slanted 5" x 9" tracing surface and long-life fluorescent lamp (included) for hours of use with either the included AC adapter or optional battery operation. Unique multi-purpose palette and storage compartment keep your crafting tools right at your fingertips. The GLOBOX is a fast and easy way to trace designs, patterns, stencils, photos, and lettering for creating custom cards, embossing, stenciling, scrapbooking, cartooning and calligraphy. Recommended for ages 12 and up. 5-year warranty. Made in the U.S.A.
